HOW TO LOGIN TO SESP MOODLE

Login without SSO (Single Sign On)
Temporary account

1. Visit https://sesp.elearning.unipd.it/ and click on “You are not logged in. (Login)” in the top right hand corner

2. Click on the button Log in without Single Sign On (red section)
3. Insert the credentials you have already received via mail:
   a. USERNAME: name.surname
   b. PASSWORD (one-time password. It must be changed)

**ATTENTION!!!**

After finalizing the enrolment process and receiving your student number “matricola”, you must change the authentication method to "Single Sign On" (SSO) [from temporary account to institutional account]. Please follow the steps below:

1. **Access Moodle SESP without SSO (temporary account)**
2. View your profile settings page (click on your name in the top right hand corner - red header)
3. Click on **Edit profile** in the "User details" section
4. In the “GENERAL” SECTION, change the “Email address” with the institutional email (@unipd.it; @studenti.unipd.it)
5. Click on the red button "**Update profile**" in the bottom of the page
6. Log out from SESP Moodle
7. Log in again to the platform this time **with SSO**
